UPDATES FROM THE UUST TEAM

UPDATE FROM SECURITY

The UUST is proud to share that there are **no** incidents to report on in May's newsletter. **A very big thank you to Kevin and his phenomenal team.** Should you wish to be kept informed about incidences as and when they occur please contact Kevin and request to be added to the UUST security WhatsApp group.

SECURITY FOR DOMESTICS TALK SCHEDULED FOR THE NEAR FUTURE

As a reminder, the UUST Security Team is planning a security talk for domestic workers for the near future. Domestic workers and gardeners have been of great assistance in notifying the UUST Security Team and private security companies and offering valuable information. Should a resident be interested in sending their domestic worker and/or gardener to this talk please indicate via email. Carly will send you a basic enrolment form with more details. Please email Carly: carly@uust.org.za

UPDATE FROM CLEANING AND GREENING

IAP TALK SUCCESS

A handful of residents attended the IAP talk held by the UUST Cleaning and Greening Team, during the morning of the 17th of May, in aid of **raising funds** for our neighbourhood security requirements. This

event illustrated one of numerous ways in which our Cleaning and Greening Team is serving as a support function to the UUST's core function, namely **security**.

A very big thank you to Bernard for a wonderful and very educational morning. Bernard guided attendees through the neighbourhood teaching everyone about how to identify the various invasive alien plants and explained the various and most suitable methods of eradication. Should you have any interest in attending these talks in the future please notify Carly via email; carly@uust.org.za.

UUST IAP Talk

ELIMINATING SECURITY RISKS – PARK CLEAN-UPS

The overgrown bushes and vegetation in our local community parks serve as a **security risk**, in that they provide an ideal place for criminals to hide. The UUST Cleaning and Greening Team is addressing this issue by taking on the task of cleaning-up our community parks, one park at a time. Mendoza Park is an ongoing project, with Kingston Park and Broadwood field next in line. Many hands make light work and therefore should you be willing to donate the services of your gardener, from time to time, to assist Bernard please contact Bernard; on mobile 078 751 5991 or e-mail bernard@uust.org.za

Thanks
for your
Donation

Last month we appealed to the community to donate any unwanted furniture and pots for plants to the UUST. The UUST put the donated items to good use by improving the working space for the UUST team members at the UUST office in Hilken Drive. We would like to thank resident Athol Domoney and family for their generous donation.

HAWAAN FOREST WALK

The UUST co-hosted a walk through the Hawaan Forest with custodian and tour guide Jocelyn Sutherland. We thank those residents who participated in the walk. Due to the popularity of the walk, the UUST will keep it as an ongoing regular event.

UPDATE FROM MARKETING COMMUNICATIONS

With Ramadaan commencing on the 27th of May, followed by the commencement of Shavout a few days later, on the 30th of May, the UUST like to wish all our Muslim community members Ramadaan Mubarak, and wish our Jewish community Chag Shavout Sameach.

TEE OFF FOR YOUR COMMUNITY

As a friendly reminder, the UUST is hosting their annual fundraising golf day on Thursday the 17th of August 2017 at the Mount Edgecombe Country Club, Course 1. **The UUST would like to appeal to our residents to please donate prizes which we can use as part of prize hampers for the golf day;** all items will be greatly appreciated, from boxes of chocolates, sleeves of golf balls or booze. For further information on playing on the day or offering a sponsorship to this fun and worthwhile UUST Golf day please contact Carly on mobile 084 573 6865 or e-mail carly@uust.org.za.

Supporting the businesses of UUST members

In support of local business and entrepreneurs residing in the UUST Zone, we offer residents the option to include a small advertising insert in the UUST's monthly newsletter at a minimal fee. Should any UUST member be a business owner please send your business contact details and a brief description to info@uust.org.za, and your details will be added to the local business owners' data base.

Dr Derek van Devente and Dr Heather Theron are not only members of the UUST but are local GP's, father and daughter, running a family practice at Beacon Rock Medical Centre, 21 Lighthouse road, Umhlanga Rocks. (031)561-1281.

IN THE NAME OF COMMUNITY SPIRIT LETS SUPPORT OUR LOCALS

Keep the UUST updated with your details

Should any members have changed their contact details please be so kind in notifying the UUST by sending an email to info@uust.org.za with your updated contact details.

If any members would like to make suggestions to our team please contact them on;

Kevin on mobile 082 694 3100 or e-mail kevin@uust.org.za

Bernard on mobile 078 751 5991 or e-mail bernard@uust.org.za

Carly on mobile 084 573 6865 or e-mail carly@uust.org.za

ONWARDS AND UPWARDS THE UUST IS CONTINUING TO ENSURE A SAFE ENVIRONMENT FOR ITS MEMBERS!

The UUST does not endorse any services or goods advertised through this medium but offers the option to promote one's business to local residents. Should you wish to advertise via our newsletter please contact us.
